OUR NEXT MUNICIPAL ELECTION. Our approaching municipal election which will take piace early in January, is even thus far in advance, "attracting more of public attention," and exciting more of public attention," and exciting more of popular interest than any one that has occurred in many years of our city's past history. The office of mayor being the interest important one, the sepirants tor that position are, of course, the central figures in the tablesu of municipal office-innaters, and the thinking portion of our people will scan more ciosely their claims and qualifications than they will those of the count of the vote in Montgomery

The western extension of the Baltimore and Ohio railroad is to come into this city on the track of the Himois Central rail road from Calumet station. These companies, together with the Michigan Central and Chicago, Burlington and Quincy railroads, will build a union passenger depot. Their present plans would require a great deal more ground than the portion of the lake front which has already been applied for, and it is understood that they will apply to the city to sell them all that part of Lake park north of Van Buran street, upon which they propose to build the finest depot building is the world.
